OFFICIAL CORRESPONDENCE AND UPDATES

We hope everyone is doing well, staying safe and healthy, practicing social distancing, and wearing a mask when out in public. To minimize the risk of community exposure and spread of the virus, ACI has switched to an all-online format of instruction for the foreseeable future. Unfortunately, this means there will not be a spring/fall graduation ceremony as originally planned on October 29, 2020. While this is disappointing news, please know your graduation ceremony will be held at some point, and you will be notified. In the meantime, if you need your diploma or other school-related documents, please contact Elaine Satchell, ACI Director of Career Services, at esatchell@arlingtoncareerinstitute.edu or by telephone at (972) 647-1607, extension 113.

Our next two class start dates for online programs are August 18, 2020, and September 22, 2020. Please contact our admissions team at the main campus telephone number, (972) 647-1607, or e-mail me at jvecchio@arlingtoncareerinstitute.edu or text, (817) 996-1058, if you need more information on class start dates and programs.

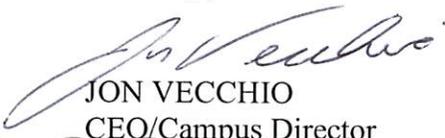

Current and future students, please be reminded that ACI has resources to help you with learning online, as well as resources to assist you should circumstances arise that could interrupt your training. Please contact Laura Castillo, ACI Student Services Director, at (972) 647-1607, extension 106, or by e-mail at lcastillo@arlingtoncareerinstitute.edu.

ACI will continue to monitor and evaluate the current learning environment as it relates to COVID-19 and keep our students, faculty, and staff informed as developments occur relating to operations during the remainder of 2020 and the upcoming 2021 school year.

Please remember to check your e-mail at least twice a day and participate in discussion forums with instructors and fellow students. Ask your instructors specific questions or express your concerns regarding their courses of instruction, and we can all enjoy a great learning experience, and you, as a student, can then take the next step and enter the job market.

It has been said many times, but we are all in this together. Stay safe. Please check our website and social media for updates.

Sincerely,

JON VECCHIO
CEO/Campus Director
