TO: Nursing Assistant Students Scheduled to Start Class on October 27, 2020

It is with regret that I must inform you that we are canceling the October 27, 2020, nursing assistant class due to the COVID-19 pandemic.

This decision was made in the interest of safety and student and faculty health. You will receive a full refund of any payments made which will be sent via USPS to your address on file.

Our plans are to begin offering this program again when the current COVID-19 numbers have shown a steady decline. Please contact your admissions representative if you have additional questions.

We apologize for any inconvenience this has caused, but due to the current situation, we had no choice.

Sincerely,
