<sup>1</sup> **Completion Rate** - the number of students who graduated as a percentage of all students who left school, not counting those who left because they entered another post-secondary education program, the military, or incarceration; or died.

<sup>2</sup> **Employment Rate** - the number of graduating students who were employed in the field they were trained for by the program, as a percentage of all students who graduated, not counting those who entered another post-secondary education program, the military, or incarceration; or died.

<sup>3</sup> **Placement Rate** - the number of graduating students who were employed in the field that they were trained in by the program, and actually placed in those jobs by the school, as a percentage of all students who graduated, again not counting those who entered another post-secondary education program, the military, or incarceration; or died.
